## PROFESSIONAL SUMMARY

Results-driven Front-End Developer with a B.Sc. in Computer Science from Mansoura University and proven experience in building responsive and engaging user interfaces. Proficient in React.js, Bootstrap, Tailwind CSS, and REST APIs, with expertise in implementing responsive design and improving application performance (up to 25% improvement). Successfully completed projects such as the XO Memory Game (improving children's engagement) and the EasyCare Medical App (implementing protected routes and authentication). Certified in Responsive Web Design.

## EXPERIENCE

**Front-End Developer Intern** – TechCorp

March 2024 – June 2024

- "Built responsive interfaces using React and Bootstrap", "Contributed to team projects with Git and GitHub",
