## Summary

---

Results-driven Software Engineer with 5+ years of experience in designing, developing, and deploying high-performance applications using Java, Python, and SQL. Proven ability to deliver projects on time and within budget, as demonstrated leading the development of a new customer portal that increased user engagement 15%. Possessing strong skills in Agile methodologies, cloud computing (AWS), and data analysis, complemented a Master's degree in Computer Science and certifications in AWS Solutions Architect and Scrum Master. Seeking a challenging role where I can leverage my expertise to contribute to a dynamic team.
